

Technical information Multi-primer

Fast drying multi-primer spray for interior and exterior. Suited as all-purpose primer on iron, steel, zinc, aluminium, anodized aluminium, V2A steel, powder-coated components, different plastics and wood. Active corrosion protection and exceptional adhesion. Heat-resistant to 80°C dry heat and high filling capacity. Adjustable spray cone width (horizontally and vertically).

Application area: On job-sites at renovation. Ideal when fastness and mobility are the primary considerations. For certain preparation of the surface.

Products: The subpart part marker ###ITEM_LIST_EMPTY### or the template file EXT:snet_tmpl_motip/Resources/Private/Templates/Extensions/tt_products/products_template_en.tmpl has not been found.

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. MOTIP DUPLI is let off the liability, unless the liability-based incident is caused by a fault incurred to MOTIP DUPLI.
