Technical Information HYBRID

User-friendly laquer with little odour for various decorative applications. For treatment of metal, stone, wood, plastic, glass and textile fabric bases.

Advanced spray paint technology

HYBRID spray paint produces beautiful, high-gloss results. The lacquer can be applied without primer to many bases, even to polystyrene. HYBRID spray paint can easily and without any problems be applied over existing paint layers without running. Low odour HYBRID spray paint is strong and dries quickly, making it scratch-resistant. An ideal spray to help you express your creative ideas right away.

Unleash your creativity!
