Technical Information Aircondition Refresher

presto Airconditional Refresher freshens the air in air conditioning and circulation systems in vehicles.

Simply place the can inside the vehicle. The contents empty automatically once the spray activator has been released. Once the doors are shut and the engine is left running, the active ingredients circulate in the vehicle.

It is available in apple, lavender, lemon, orange, potpourri and New Car fragrances.

Use for cars, lorries, buses and vans.

Also suitable as refreshener in living quarters.
