Technical Information AQUA

The environmental-friendly spray paint - 90 % of the solvents have been replaced by water.

High-gloss and matt colours as well as a primer in a new, quick-drying quality. Even suitable for outdoor objects. For nearly all surfaces: for the lacquering of kitchen and bathroom accessories, gardening tools and garden furniture, children's rooms and toys etc. made of wickerware, wood, carton, metal, fabric, paintable hardplastics, glass, ceramics, etc. Even suitable for use on **polystyrene**. The lacquered objects can be cleaned with a mild dishwashing detergent.

From translucent to cover coat - you decide about the depth of colour!

Here you find a video spot.
