

## Technical Information RAL Acrylic Spray Paint

High-quality acrylic lacquer in standard shades according to the RAL standard. Exact matching paintings and repairs of small damages in RAL colours.

Specially for machines, engine parts, tools, all kinds of vehicles, steel furniture and much more.

This assortment includes besides many RAL and special shades a glossy and a matt clear coat.

### Order informations

#### **Disclaimer of liability**

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. European Aerosols is let off the liability, unless the liability-based incident is caused by a fault incurred to European Aerosols.

As of September 27, 2012

This release replaces all eventually earlier issued versions.
