

Technical Information Zink Alu Spray

Zinc Alu Primer for zinc-plated parts and surfaces, which have been damaged by welding, sanding, drilling, transportation etc., and which have to be repaired or adapted to colour shade.

Also suitable as excellent corrosion protection for metal surfaces and blank iron metals. Suitable for only a limited extent on aluminium.

For bigger metal surfaces, which are especially exposed to corrosion, use [DUPLI-COLOR Zinc Spray art.no. 191435](#).

Color	Product	Bundle	Art.No.
	ZINC-ALU SPRAY 400	400 ml	504433

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. MOTIP DUPLI is let off the liability, unless the liability-based incident is caused by a fault incurred to MOTIP DUPLI.

For any further technical questions call our hotline +49 (0) 62 66 75-266 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of May 30, 2012
This release replaces all eventually earlier issued versions.
