

Technical Information Supertherm

Special spray paint for the painting of objects which are exposed to high heat. Available in different colours and as clear coat.

Ideal to paint exhaust pipes on motorbikes and cars, but also for stove pipes, BBQ-casings and much more.

Applicable on metal, cast iron, aluminium.

Even suitable as protective lacquer for engines.

There are no products to show.

Disclaimer of liability

This application-technological information is given to the best of our knowledge. The notes mentioned herein are, however, non-binding and do not exempt you from own tests to see whether the products supplied by us are suitable for your special application. The use and processing is beyond our control and therefore exclusively in the responsibility of the user. MOTIP DUPLI is let off the liability, unless the liability-based incident is caused by a fault incurred to MOTIP DUPLI.

For any further technical questions call our hotline +49 (0) 62 66 75-266 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of May 10, 2018

This release replaces all eventually earlier issued versions.
